WELCOME TO VICTORIA MEWS

Victoria Mews is a boutique, friendly care home set in a peaceful residential area of Coventry, offering residential dementia care for up to 30 residents.

Each of our ensuite bedrooms can be personalised to truly feel like home, while sitting and dining areas provide comfortable, social spaces to connect with others or take time out to relax.

The landscaped garden and patio are pleasant places to enjoy some sun, while our hairdressing salon is a much-loved spot for some pampering. All areas are easily accessible by wheelchair.

With nutritious and locally sourced meals and snacks, residents enjoy a healthy diet based on their individual needs and preferences.

A HOME TO MAKE YOUR OWN

Our highly trained team offer personalised care that focuses on maintaining residents' comfort, independence, and wellbeing in a warm and supportive environment. Personal care plans, consider residents' medical, personal, and dietary needs as well as their likes, dislikes, and hobbies to make their stay with us a happy one.

Experienced Wellbeing Coordinators work with residents to plan a varied programme of year-round events, excursions in our specially adapted minibus, and daily and weekly activities to ensure residents are active and engaged. While we enjoy celebrating special occasions, we know the little things can often matter most, and our team work hard to help residents create a routine that brings joy.

Victoria Mews offers a fun, safe, and inclusive home from home for our residents, combining quality care with kindness and creativity.
